

WELCOME TO CYBER VILLAGE ACADEMY

MESSAGE FROM THE DIRECTOR

According to the National Weather forecast, fall is on its way. We are grateful for the pleasant weather and the air conditioning installed over the summer, which has allowed us to maintain comfortable learning environments while still enjoying the outdoors.

This week, we began collecting our standardized testing data in reading and math. This presents an excellent opportunity for us to reflect on our curriculum, lesson plans, and the interventions we implement to support our students. It will also serve as a starting point for helping students set their academic and personal goals for the year. During advisory, students will engage in creating an Individualized Learning Plan (ILP). We will share this information with parents and guardians periodically throughout the year. One of our strategic goals is to enhance engagement with academic rigor and improve outcomes for our students. We are thrilled to resume our use of ILPs and to strengthen our partnership among students, families, and educators.

Wishing you all a wonderful week ahead! Don't forget to mark your calendars for the upcoming events and activities.

Warm regards,
Nicole Rasmussen

CVA COMMUNITY STOPS

CVA uses community stops to serve as many students as possible. Please see the options for transportation by clicking [here](#)! If you would like to be added please email Esther DeLaCruz.

DATES TO REMEMBER

- ☑ **October 6: Scholastic Book Fair**
- ☑ **October 7: Minneapolis College Fair**
More information to come, link below.
- ☑ **October 8: MAP Science Test - Learn more!**
- ☑ **October 14 & 15: Online School - Parent/Teacher Conferences**
- ☑ **October 16 & 17: No School**
- ☑ **October 22: School Pictures**

School Pictures Oct. 22

COLLEGE FAIR

MINNEAPOLIS COLLEGE FAIR
OCTOBER 7: H.S. FIELD TRIP
MORE INFORMATION TO COME!
Permission Slip

Principal's Corner

CVA is pleased to offer three amazing specialist classes. These classes are offered to all elementary students and they serve as electives at the middle and high school level. Here's what they've been up to...

If you've heard the sound of drums deep echoing through the halls of CVA, it's most likely from one of Mr. K's middle school classes. Playing a myriad of different percussion instruments, they've been honing in on technique and literacy - music literacy, that is! Through improvisation, sightreading, and even composition, these students are becoming a real musical force to be reckoned with!

Ms. Walker, PE: We've had an upbeat, high energy start to the school year in PE! Elementary students focused on cooperative games and developing proper throwing techniques. They practiced working together, following directions, and displaying good sportsmanship to classmates. These activities support both physical skill development and social-emotional learning. Middle and High School students participated in flag football and ultimate frisbee - emphasizing teamwork, strategy, and skill development. These activities help promote both physical fitness, quick thinking, and collaboration within a team setting.

Ms. Cassy, Art: In Art class K-6 has been focusing on learning about color. How to mix colors and use color to show ideas.

8th grade is finishing their unit on the theme of Messages. In this unit students:

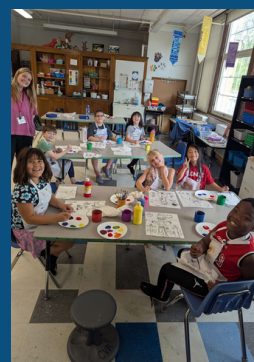

- Discover how people in early times communicated through their art
- Learn how people in Africa send messages through their art
- Explore college narrative to convey your own message

High School Drawing class is finishing their still life drawing project and Visual Arts are finishing their Drawing on a grid projects.

CVA learners are using creativity and their whole bodies to learn and grow!

Have a wonderful weekend!
Principal Peggy Palumbo

Gertens Winter Sale

Are you ready to order Poinsettias and Winter Greens? CVA has the deal for you!!

Welcome to the CVA Online Gertens Fundraiser!

We will receive 30% of all plant sales and 15% of all gift cards. Proceeds will go toward outdoor recreation and improvement.

To access the site and place an order for your fundraiser group:

1. Go to www.gertensfundraising.com
2. Enter the Store ID code for CYBER VILLAGE ACADEMY: 209.

Be sure to enter the seller's name so they get credit for the sale.

The site opens on Monday, September 22 and closes at 10 PM on Monday, October 27. We cannot accept any late orders past the deadline.

Your order will be ready for pick up at CVA on November 20 from 12:30-4:00.

PSEO Information Meeting

Tuesday, Oct. 21

3:45 - 4:45pm

CVA Media Center

Year Long Community & Service

As a part of the “village” focus at Cyber Village Academy, we are asking that each child participate in community and service activities throughout the school year – it is quite possible that they are involved in one of these activities already. Students should volunteer regularly throughout the year. Students are not assigned a certain amount of volunteer hours or activities, but hope that everyone will find something they enjoy doing to help others...and do it often (weekly, monthly, etc. depending on the activity).

At the end of the year, we will be having a Community and Service Fair to celebrate the efforts of the students (more information on that will come later).

Students should collect pictures, brochures and pamphlets from the organizations where they are volunteering to help make their Community and Service display.

Space Camp and Museum Adventure

If you missed the informational meetings about Space Camp (grades 6-9), please review these documents:
